

# Period care, carried openly: Moshibu's October feed

DESIGNED FOR REAL DAYS

Your day doesn't stop.  
So we made a pad that keeps up.

Carried  
openly,  
without  
apology

The black polythene bag goes in the bin. The care comes out in the open.

Will it shift when I walk?  
The commute, the stairs, the last stretch home.  
One slip is all it takes.

For the heavy days  
that ask the most.

On your heaviest days, leak-lock protection holds more for longer, so you change less often and move through the day without second-guessing.

DESIGNED FOR REAL DAYS

# Your day doesn't stop.

*So we made a pad that keeps up.*

See the 3 real worries →

01

# Will it leak before I notice?

*Light clothes. A full room.  
That quiet worry that never switches off.*

# Will it shift when I walk?

*The commute, the stairs, the last stretch home.  
One slip is all it takes.*

# Where do I even change?

*A clean, private spot shouldn't be this hard to find.  
On a long day, it still is.*

SO WE FIXED ALL THREE

# Every feature answers a worry you've actually had.

- ✓ Longer back with real coverage
- ✓ Stays put no shifting
- ✓ Soaks up heavy flow
